You've made the right choice...

Letterfinlay Lodge is a uniquely placed venue, providing you with a varied choice of services for your wedding day. We have prepared a selection of wedding options and services to help you make the right choices for your special day.

The Wedding Service

You can if you wish hold the actual service at Letterfinlay Lodge. The service would be conducted by a Minister or a Civil Registrar and would take place in the main Osprey lounge or on the new Osprey sun deck, with panoramic views of the Loch Lochy. All seating will be arranged prior to your arrival and any special requests that you have will be catered for if possible.

The Minister or Registrar

This is a very personal choice and if you are considering having your ceremony conducted by a local Minister or Registrar, we suggest you call them first to ensure they are available on the day of your choice as Registrars do get booked up well in advance.

Piper

In keeping with the local Highland tradition we can give you details for a reliable piper to attend your special day

Flowers

We can give you the names of local florists so that you can make arrangements directly. Flowers can be arranged for the Bride (wedding bouquet), bridesmaids, Groom and groomsmen. We can also liaise with the florist if you would like the room suitably decorated. Flowers are normally delivered the day before the event.

After the Ceremony

Whether you are having the ceremony elsewhere or at Letterfinlay, we can arrange for celebratory drinks to be served to your guests in the Osprey Lounge Bar before the wedding dinner or buffet is served. During this time, the bridal party can have photographs taken. If holding the actual wedding ceremony in our restaurant, we would use this time to rearrange the seating in accordance with your requirements, for instance horseshoe style, small table banquet style or a mix

The Cake

We can provide you with details of wedding cake suppliers. The cake may be delivered to Letterfinlay Lodge on the day before the ceremony.

For the actual cutting of the cake ceremony, we can supply a knife. The stand is usually sourced from the company supplying your cake. Most Brides do though prefer to provide their own special 'engraved cake knife'

The Wedding Reception

The Wedding Reception is normally table service. If you prefer, we can also cater for buffet style. Generally, we can cater for up to 70 in the restaurant. Table seating is normally in groups of 6 or 8, or of course traditional horseshoe seating can be arranged and a top table for the bridal party.

The Wedding Menu

Attached we have our selection of wedding menus, where you can choose from our selection. We pride ourselves in only using fresh fruits and vegetables, preferably locally produced foods all prepared by our excellent Chef. We can also cater for vegetarians and other special meals if required. Menus are updated seasonally with an emphasis on local dishes with an international appeal.

We can supply a wide range of beverages, please enquire for our most up to date selection. For weddings, again we find that the best solution would be for you to tell us your requirement and budget, following which we can provide you with some appropriate suggestions for table wines, the toast, welcoming drinks and so on.

Place Name Cards & Menus

For Wedding Dinners in the restaurant we provide, at no extra charge, place name cards and a wedding menu. Alternatively, if you wish to provide these at your cost, we would be more than happy to arrange them at the table in accordance with your wishes. A table plan can also be set up if required.

Refreshments

We offer a fine selection of wines, spirits, fresh juices and soft drinks. If there are any particular wines or refreshments not on the list, we would be happy to investigate the possibility of supplying them. Please note that our wine list does change from time to time. If you prefer to supply your own wines and champagne, then we will charge you a corkage fee of £5 per bottle of wine and £8 per bottle of champagne.

Entertainment

Evening entertainment can also be catered for. Be that a band, disco or the traditional Highland Ceilidh band, which can incorporate a wide variety of music to suit all tastes and ages. If you tell us more about your requirements we can help you in selecting entertainment for the event.

Photography

Letterfinlay Lodge is an ideal venue for wedding photographs. The view from the Osprey sundeck is in our opinion an ideal back drop for any wedding photograph. We do have a list of local photographers who previous guests have used and have reported that they have been very happy with.

Highland Dress

If you want to go really Highland, then men often choose Highland dress with the Groom, Best man and Pageboys in the same tartan. We can suggest suitable outfitters if required.
